

- **Practice social distancing** (maintaining a distance of 6 feet apart).
- **Practice frequent handwashing** (using soap for 20 seconds or hand sanitizer with 60% alcohol).
- **Follow capacity restrictions** of social gatherings.
- **Cover coughs and sneezes** with a tissue or with the inside of your elbow and immediately wash your hands.
- **Stay at home if you are sick**; you can also get tested.
- **Answer the phone if the health department contacts you**, as a contact tracer may be trying to reach you with important information.
