If your student is new to JKL or has changes in information for bus transportation to and/or from school, please complete and return this form to the front office. We will try to accommodate as close to your address as possible. If you must make changes, please notify the school *at least one week in advance*. If your child does not need the bus on any given day, please call the bus garage at 906-635-5055, extension 210 before 6:00 am or as soon as possible. **Please note, due to limited seating on our buses, students may not ride buses they are not assigned to.**
